**Client**  
Nottingham City Council

**Construction Cost**  
£2.5million

**Key dates**  
Inception to completion 24 weeks  
Up to RIBA Stage D completed

**Project Design Team**  
JMF Chartered Architects  
Paragon

**Procurement Route**  
Traditional

A proposed new Customer Services Department with dedicated entrance off Trent Street.

The proposal included main reception, cashier with safe room, interview rooms, offices, waiting areas and staff change/rest area.

Situated on the ground floor, the existing services including underfloor plenum required modification to convert from the existing open-plan area to the proposed compartmented area.
