DWG

Key dates
completion: March 2011

A major refurbishment of Rojano's in the Square which re-opened in March 2011 with a high-quality ground floor restaurant, new first floor Grazing Bar complete with shop, and external balcony seating.

JMF successfully achieved planning approval for this substantial remodelling of the existing restaurant within the Conservation Area of Padstow.

Immediately to the front of Rojano's now includes a new heated and covered seating area providing an outdoor courtyard.

For more information please contact James Firth on 07790 019248.
