## Sudbrook Hall - Orangery

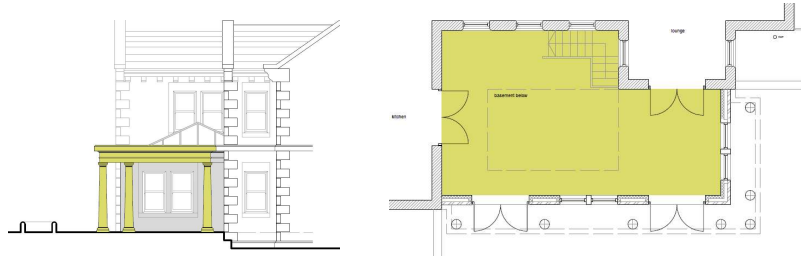

**Client**  
Private Client

**Construction Cost**  
£0.25million

**Key dates**  
Up to RIBA Stage D completed

**Project Design Team**  
JMF Chartered Architects  
Haddonstone

**Procurement Route**  
Traditional

A proposed single-storey Orangery to Sudbrook Hall.

The design is based on Classical proportions, utilising the Doric Order of Architecture. This sublime Order is commensurate to the austere rustication of the existing hall, with its locally sourced stone.

The proposed roof includes a large rooflight allowing natural daylight into the relatively deep plan.

As part of the proposal a basement was included to be used as a wine cellar.
