NDPC

**Procurement Route**

Traditional

A proposed substantial two-storey residential dwelling in the Vale of Belvoir.

JMF were Architect and Lead Consultant managing the design process which included the architectural design and planning consultancy. JMF liaised with the local authority and subsequently produced an excellent design which was applauded by the Planning Authority for its sensitive approach.

The project included an open-plan ground floor with lounge, dining, kitchen area and bi-fold doors to the rear garden. To the first floor four bedrooms with ensuites and master bedroom with dressing room, with large family bathroom.
